

## **Nativity, Malvern's Multi-Purpose Parish Hall**

Welcome to our versatile multi-purpose parish hall! Whether you're planning a wedding reception, a family gathering, a concert, or any other event, our spacious hall with a fully equipped kitchen is the perfect venue for your needs.

Multi-Purpose Parish Hall has a newly renovated kitchen, with a power washer, an industrial sized fridge and separate bar area. The use of the kitchen to warm up food is included in the fee for use of the Parish Hall, with the understanding that no cooking is done on premises, unless additional cooking fees are paid.

The Parish Hall is affordable and spacious and gives you the flexibility to transform your event no matter what the theme. We have had non-profit organization fundraisers, dances, weddings, health seminars and so many other special events. We are also available for long-term rentals to use the space on a weekly basis.
